

B-linerless™

Linerless Paper

Sustainable Labelling Solution

Increased Productivity

Enhancing work productivity

- Save time by eliminating the need to peel off and discard liners
- Simply stick and remove as required
- Easy-to-use drop-in paper loading

Reduced Transportation Costs

Lower TCO

- Eliminating silicon liner backing waste equals zero landfill costs and reduced freight expenses
- Up to 40% more label length available on a linerless paper per roll compared to traditional liner-backed paper
- Savings in storage space and transportation costs

Warehouse Space Savings

Lower Environmental Impact

Eco-Friendly

- Reduces disposal and impact on the environment
- CO₂ emissions decrease due to eliminating liner incineration

B-linerless™

Linerless Paper

B-linerless Restick

- Temporary adhesive, easy to re-stick and repositionable
- No adhesive residue left over
- Ideal for a range of applications from restaurant order identification to warehousing plastic totes which do not require permanent adhesive labelling

B-linerless Permanent

- Permanent adhesive
- Ideal for delivery notes, shipping labelling, patient labelling and order printing for T&L, Warehousing, Healthcare and Retail industries
